3. PROVISIONAL ACCEPTANCE / REJECTION: Upon receipt of your application, ANC will advise you about the outcome as soon as practicable or within two weeks. If your application is accepted, you will be provided an Offer of Enrolment (conditional or unconditional). This document will also accompany another document called "Enrolment Acceptance Agreement". In order to indicate your acceptance, you will be required to sign the Enrolment Acceptance Agreement and forward it along with the initial deposit as outlined in the Enrolment Acceptance Agreement.

4. CONFIRMATION OF ENROLMENT FORMS / VISAS: Once the initial deposit is received, ANC will then forward you an electronic Confirmation of Enrolment (eCoE) which is required for the finalisation of your student visa application by Department of Immigration and Border Protection (DIBP). Please ensure to check the student visa application requirements at www.border.gov.au. Students from different nationalities may be required to apply for Pre – Visa Assessment before forwarding their initial deposit and securing their eCoE.

5. OVERSEAS STUDENT HEALTH COVER: All international students must have health insurance through the Overseas Student Health Cover (OSHC) scheme. It is the responsibility of the student to ensure that the OSHC is up to date. Students may apply for OSHC by themselves or can request ANC to arrange it on their behalf. Please note that the cost of OSHC is separate to tuition fee and enrolment fee.

TERMS AND CONDITIONS OF ENROLMENT

1. CONDITIONS OF ENROLMENT

1.1 ANC reserves the right to cancel a course not later than one month prior to the commencement date, in which case a full refund of all fees paid will be made within two weeks.

1.2 A student is enrolled for the period for which tuition fees have been paid. If tuition fees have not been paid, the student's enrolment may be cancelled at the end of internal appeals process.

1.3 ANC is required to report to DIBP in instances where a student fails to make academic progress in two consecutive study periods. All students are notified beforehand, of the ANC's intention of reporting the student to DIBP and are provided with 20 working days to access the ANC's complaints and appeals process. Academic Progress is reviewed in each study period. International students are required to ensure that they repeat any subjects/units failed in that period so as to ensure completion of their course within the duration specified on their eCOE where possible. Detailed information on the ANC's Academic Progress Policy and the Complaints and Appeals Procedures is available at www.anc.vic.edu.au and will be covered in the International Students Orientation Program.

1.4 All students are bound by the ANC's Student Code of Conduct. Detailed information on the ANC's rules and regulations are available in Student Handbook and is covered during the International Student Orientation Program. Failure to adhere to these regulations may lead to the suspension or cancellation of the student's enrolment. Students will be provided with 20 working days to access the ANC's complaints and appeals process. Detailed information on the ANC's policy on cancellation/suspension/deferral of an International student enrolment is contained in the Student Handbook and will be covered in the Orientation Program.

1.5 The National Code 2007 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course. ANC will not allow students to transfer to another provider within six months of the commencement of their principal course of study in circumstances where the transfer would be detrimental to the study plan as detailed in this application. Circumstances that are considered detrimental to a student's study plan could be but are not limited to:

- Change in study plan
- Transfer to a lower level of studies
- Increased tuition costs, particularly in case where deposits paid in advance to ANC are non refundable
- Increased duration of studies in Australia
- Insufficient preparation for further studies
- Qualifications not recognised by Higher Education Providers as satisfying their entry requirements
- Level of support services at new provider is not equivalent
- Transfer would jeopardise student's progression through a package of courses
- Within 6 months of a course beginning students may experience home sickness and transfer to another registered provider is not likely to overcome this problem

- ANC is of the view that the student is avoiding being reported to DIBP for failure to meet attendance or academic progress requirements
- 1.6** After arrival in Australia, ANC's policy doesn't restrict a student from transferring to another course of study at the ANC other than from which the student visa has been granted. Student will need to formally apply for the change of course.
- 1.7** Students wishing to apply for a 'letter of release' will need to complete a Request Form, available from ANC reception. This form will provide information on ANC's procedures for the assessment of such applications and the mechanism for the student to appeal. There is no cost attached to applying for a letter of release; however student will need to contact DIBP to seek advice on whether a new visa is required. In instances where a release letter is granted, ANC's Fee Payment and Refund Procedures will be applied to any Fee and Charges Refund request received.
Detailed information on ANC's transfer policy between registered providers is contained in Student Handbook and will be covered during the International Student Orientation Program.
- 1.8** The National Code 2007 requires International students to complete their course within the duration specified on their eCOE except in limited circumstances. In these circumstances, ANC will issue a new eCOE to extend the duration of study for the course. Student may be required to pay tuition fee for the extended duration based on the reasons for extension.
Detailed information is available in the Student Information Booklet and will also be covered during the Orientation Program.
- 1.9** The National Code 2007 requires international students to keep ANC informed of their current address at all times. It is students' responsibility to notify ANC administration of any change in the recorded address during the period of enrolment. This can be done by filing the "Change of Personal Details Form".
- 1.10** International Students may apply for Credit Transfer/Recognition of Prior Learning within TWO weeks of the course commencement date if they have not applied for the same at the time of enrolment. Where possible students will be encouraged to enrol in additional subjects/modules that may enable them to reduce the duration of their course - in which case a new eCOE will be issued. A detailed Course Credit policy and procedure is available in the Student Handbook, on the ANC website www.anc.vic.edu.au and will be covered in the Orientation Program.
- 1.11** International Students must maintain adequate health cover for themselves and any member of their family unit who are with them during their stay in Australia.
- 1.12** Students need written permission from ANC to defer or suspend their courses. In cases where permission is granted, DIBP will be advised via PRISMS. Information pertaining to the circumstances in which a student may defer, suspend or cancel their enrolment is contained in the Student Handbook and ANC website www.anc.vic.edu.au.
- 1.13** ANC is required to advise DIBP when a student fails to commence a course without approval on the expected date, withdraws before the course ends, or changes the course he / she initially enrolled in.
- 1.14** Students who are unable to commence their course on the expected date may be given up to two weeks to commence. After two weeks the student may not be guaranteed a place in the course. If the students arrive after the agreed date, they may be required to return home or placed in an English Language program until the next available commencement date for the course.
- 1.15** Fee and charges are subject to change with prior notice. A semester is a study period comprising of 18-20 weeks of teaching. Course fees are charged in full for each semester and must be paid 2 weeks prior to the agreed start date.
